Maria's Story

When Maria lost her son in a tragic accident in 2021, she had one request from the people who attended his Celebration of Life. She asked that they bring an item to donate to the Father Taaffe Homes and Pregnancy Support Services (FTH). Maria was a young mother herself, so she knew first-hand how hard it is for teen moms to provide everything that a baby will need. As a tribute to her son Josué, his friends and family made a huge donation of items to FTH.
