

Empowering Adam's Independence

Despite facing physical limitations and developmental disabilities since birth, Adam not only graduated from public high school but also made a significant impact through his community involvement.

Adam dreamed of living as independently as possible. Though it was a difficult decision for his mom, they researched and carefully chose Catholic Community Services (CCS) Adult Residential Services as a home for him. At the age of 20, Adam embraced this new chapter of his life and moved into one of the CCS homes, taking a bold step closer to his dreams.

He maintains a deep connection with his family, embracing the love and support of his parents, siblings, grandparents, uncles and aunts. His favorite activities are watching movies, listening to music and attending family events. He finds joy in being outdoors and savors walks around the neighborhood. Adam thrives in the company of his team, where the sound of laughter amplifies his spirit and passion for life!

About CCS

Our mission: **We are a Christian ministry caring for all in our community, built on faith, hope and kinship.**

Catholic Community Services is a nonprofit, faith-based organization. Founded in Salem in 1938, today CCS offers **9 programs across 10 Oregon counties** and serves more than **5,000** people each year.

We operate with fidelity to the Principles of Catholic Social Teaching. We do so without regard to anything other than the needs of the people we serve and their willingness to do everything they can for themselves.

Our core values of **love, justice, truth** and **freedom** guide us to safeguard the dignity of all people, to embrace their giftedness and to focus on their dreams and aspirations.

To achieve our mission, our programs focus on three key outcomes: the people we serve enjoy safe, stable nurturing relationships; they possess the knowledge, skills and virtues they need to succeed at whatever is important to them in life; and they enjoy financial self-sufficiency.

Dedicated to providing the highest quality services, trauma-informed care and research-based practices, CCS is nationally accredited by the **Council on Accreditation** for Child and Family Services, Behavioral Health Services and Group Living Services.

Adult Residential Services Mission

Our mission is to empower individuals by honoring their personal preferences and encouraging active participation in daily care and community life.

We prioritize positive communication to build supportive relationships, ultimately fostering a fulfilling and satisfying life for each individual served.

Who We Are

The Adult Residential Services program, established in 1988, is dedicated to provide safe, stable and nurturing homes for individuals experiencing intellectual and/or developmental disabilities. We empower individuals to embrace independence, fostering a profound sense of dignity and purpose. With 14 homes dedicated to adults across Marion, Linn and Clackamas counties, we offer unwavering 24/7 support, encompassing daily living assistance, enriching recreational activities, ongoing advocacy and personalized planning.

Our homes are designed to embrace both medical and behavioral needs, supported by a dedicated team of Direct Support Professionals (DSPs), Licensed Practical Nurses, and Registered Nurses, all committed to making a positive difference.

Our dedicated staff strives to foster a powerful “*Circle of Support*” for every individual, enhancing connections with their extended families, peers and friends. We wholeheartedly welcome and encourage families to visit and remain involved, fostering connections that uplift and inspire the individuals served by Catholic Community Services.

Who Provides Services?

Our team of dedicated professionals is available around-the-clock at our 14 homes; each home is supervised by experienced Program Managers. Focused on delivering high-quality care, our skilled staff undergo extensive training in essential areas, including First Aid, Cardiopulmonary Resuscitation (CPR), Bloodborne Pathogens, Medication Administration and Emergency Preparedness. This comprehensive training ensures that safety and compassion are at the forefront of our services.

Kyle's Garden

Kyle, a dedicated member of our Adult Residential Services Program, finds inspiration in gardening at home. His passion for nature brings him joy as he nurtures flowers and vegetables from seeds every day. Growing corn and beans are his favorites. Kyle embraces the magic of planting seeds and witnessing their growth. When people admire his garden, they are eager to know, “When will the vegetables be ready to eat?”
